

The "spell"...  
I wasn't able to  
see the moment  
it was used, but  
can it really be  
done in such  
a short time...?

Even though  
my strap  
got dirty,  
thanks to  
Himeri  
I was able  
to retrieve  
my bag.

The smell  
is awful...

M... my  
strap...

End of  
mortal  
struggle.  
Complete  
defeat.

What  
the heck  
is this  
"spell"  
anyway  
...

I still  
can't recall  
the moment  
the "spell"  
was done  
on myself  
very well...

Himeri!  
Belle!

Alright,  
seems my  
improvised  
rescuer did  
a good job.

She did  
rescue  
me, so  
perhaps  
she isn't...  
a bad  
person...

Mysterious  
girl  
Himeri...

Um...

I... was  
more or  
less saved,  
wasn't I?

Thanks...  
for saving  
me...

Don't worry,  
I will make  
trendycute  
sexy ones  
for you.

That's  
not the  
problem  
here!!

Ah!  
Which  
reminds  
me, my  
panties!

She  
ruined  
the  
moment  
!!!

No no,  
no need  
to thank  
me.
